Location savings transfer pricing analysis of MNE's in low cost countries like India

Altus Alliance - India member [Amicus](#) discusses the concept of multinationals moving to low-cost jurisdictions in e-journal [Worldwide Transfer Pricing Reporter](#). It's author and Partner at Amicus, [Ashutosh Mohan Rastogi](#), analyzes location savings based on India, US, UN, and OECD transfer pricing guidelines and manuals.

"Determination and allocation of locations savings between group companies has thus emerged as a key Transfer Pricing issue in the context of business operations in low cost jurisdictions."
